**“AT ALL SAINTS WE ALL FLOURISH AND ACHIEVE AS A CHILD OF GOD”**

Dear Parents

The summer term has started with great enthusiasm and lots of hard work in school. We have already had a great Year 5/6 residential to Ford Castle and Holy Island, Year 4 residential to Peat Rigg, Eco week activities for Reception to Year 3 and of course the Year 6 tests this week. Thank you to all of our staff for making these so successful for the children.

Well done to our our Year 6 children, you have worked so hard this year and I know that your efforts will have paid off so that you will achieve what you rightly deserve in your end of Key Stage 2 tests.

We have many more activities to look forward to this term; sports day, KOSAF arts festival, lots of outdoor learning, sports competitions, and end of year production for Year 5/6.

Over the last year, I would like to thank you for your feedback that we as a school have received. Your feedback from our parents evenings this year has been greatly received and we have tried as a school to improve and develop how we share information with you about your child and their progress. As a school, we continue to build upon our successes and develop the provision for the children.

You may have become aware of a new display in the corridor in school. The parents board is a way for you to give positive feedback on your child's progress, the school and any comments on what is working well. The 'post it note' comments board is available for you to use. There are also some slips asking for any further comments, suggestions or questions which you would like us to look at. Please add these to the slips of paper provided and put them in the wallet on the board. We as a staff and the governors appreciate your comments and feedback and will consider them carefully. Obviously, we are unable to act upon everything that is suggested (we do have restrictions on finances) but we will discuss your feedback to look at how to improve our fantastic school even further.

Many thanks for your continued support; we have a fantastic staff team who want to work with you so that your child gets the very best from their time at our school.
