

Bowl it over

A subtraction game

What you will need...

- Numicon Feely Bag
- Numicon Shapes 1-10 (in the Feely Bag)

What to do...

- Each player chooses a score card
- Players take turns to take two Shapes from the Feely Bag, take away the smaller from the larger and put a counter on the answer on their score card.
- Put the Shapes back in the Feely Bag.
- Players miss a turn if an answer is already covered.
- The winner is the first to cover their score card.
