NEWSLETTER FRIDAY 25TH JANUARY 2019

“AT ALL SAINTS WE ALL FLOURISH AND ACHIEVE AS A CHILD OF GOD”

At the beginning of the week, our teachers got together with the teachers from North Rigton CE Primary School to discuss Wellbeing. Miss Allan is leading a project around mental health and wellbeing. The teachers have planned activities, Collective Worship and challenges that we will focus on after half term and all the way through into summer.

If your child is in Leopard’s House you will know by now that Tuesday was treat day and they made lots of lovely chocolates. The children had great fun designing wrappings and golden tickets and creating their own chocolates – yummy!

I met with the School Council yesterday. We discussed our Values and the Grow, Blossom and Flourish Tree. The children agreed that the tree was a good pictorial representation of how we want the children in our school to succeed. We also looked at The Parable of the Sower and agreed it is a good bible story to talk about when we discuss how to make sure we are all flourishing.

With every blessing

Headteacher

MESSAGE FROM RESEARCHERS AT THE UNIVERSITY OF LEEDS

We are researchers from the University of Leeds, and we are conducting a study to find out more about children's eating habits and food in the family home. In particular, we are interested in the views of parents of primary school aged children. We have developed an online questionnaire and are trying to get as many parents to fill this in. The questionnaire takes about 8-12 minutes to complete, is anonymous and voluntary.

Many thanks in advance.
