

NEWSLETTER FRIDAY 8TH MARCH 2019

“AT ALL SAINTS WE ALL FLOURISH AND ACHIEVE AS A CHILD OF GOD”

The Governors of The Fellowship of All Saints Kirkby Overblow and North Rigton CE Primary Schools would like to invite you to a Meet The Governors event in the school hall, on Thursday 14th March at 9.00am. You will have a chance to meet our new Governing Body, ask the members questions about their role and take part in a discussion about the journey the two schools will be taking together. If you are not able to join our Governors on Thursday they will soon be sending out links to a survey for you to complete about our school.

At the end of this term Mrs Rachael Pilgrim, our Reception/Year One teacher and SENDCo, will be leaving us. Mrs Pilgrim has decided that, at this point in her life, she would like to spend more time with her family and for the next few years she is going to be a ‘full time mummy’. Mrs Pilgrim has been an important part of our school family for very many years and I know she will be greatly missed by staff, parents and children alike. Mrs Pilgrim loves our school and children very much, and as I’m sure you will appreciate, this has not been an easy decision for her to make at all. After Easter Mrs Bromley will carry on as the class teacher for Reception and Year One on Monday, Tuesday, Wednesday and Mrs Jackson will return from maternity leave to be the class teacher on Thursday and Friday. Miss Cromack will take over the SENDCo role for the Summer Term.

With every blessing

ON YOUR MARK... GET SET... CYCLE!

We are continuing to raise money for Link Ethiopia in school. This year we are raising money for extra tuition for children who are at risk of dropping out of school. This is a town wide project, in the town of Gondar, where our link school is located, which will allow these children to flourish in school and reach their full potential. We will continue to develop the link with the Andinet School by sharing our link projects.

The charity officers have had a fantastic idea to cycle to Ethiopia (don't worry you don't need to get your passports ready). As a school we are going to aim to cycle the distance to Gondar, Ethiopia using exercise bikes.

On Saturday 23rd March, we are taking the fundraising into the community and will be setting up the bikes in the Victoria Centre in Harrogate. This opportunity will be open to the children in KS2 only. We will be asking children to come down to the Victoria Centre for half an hour to cycle, shake buckets and promote this good cause. If your child is interested in taking part in this event there is a sign up sheet in the corridor, please sign up to a time slot. Children will come along in groups of four and must be supervised by their parents at all times. They will take it in turns cycling and encouraging each other. The children are very excited by this opportunity and we hope that we can raise lots of money for the children in the Gondar region.
